## EDUCATION

### 2024 • Bachelor's Degree

Computer Science - Point Park University

I am currently pursuing a degree in Computer Science at Point Park University and am on track to graduate Spring 2024.

## EXPERIENCE

### 2018-19 • Red House Communications

Internship

Worked with graphic designers and web developers to assist in the creation of various sites and advertisements for clients.

### 2019-20 • Federal Express

Internship

Worked alongside Software Developers for multiple web and android project lifecycles, from initial design to launch.

### Current • Staples

Office Supplies Associate

Customer service job consisting of cash handling, technical support (both hardware and software), and multitasking within a collaborative goal-oriented workplace.

## EXPERIENCE (cont.)

### 2022 • The Outreach Team

Voter Contact Campaign Member

Traveled across Western Pennsylvania to mobilize and speak with voters throughout many neighborhoods about the November election. Heavily team-focused, goal based, and communication-oriented.
